I keep reporting and nothing happens why." 07/01/219: loud music ,people yelling ,music booming from cars, cars blocking intersections. 12 to 15 people constantly loitering outside bar on sidewalks there not suppose to be loitering. there is no security guard at door tonight patrons walking in and out at will they are to be checked with a metal detector wand before entering bar ,there for no security no detection at door. This place is really becoming a problem for residents near this bar so far it seams no one is doing anything to curb these problems with this place as it is only getting worse as the weather warms up. Cops just drive by like its status quo patrons can do as they please and the residents in area I guess they don't matter. 07/01/2019: Willards Liquors 738 Thomas ave. constant noise from patrons, loitering at door and on

sidewalks, cars parking any place they feel ,booming car stereos. Security person not checking patrons going in to bar like he's suppose to he just stands with patrons doing nothing to stop anything going on. I see patrol cars go by sporadically they never stop to disband crowds outside or cars parked everywhere surely something can be done on your end so the city tells me as of yet no one does anything to control this establishment. 07/05/2019: Why is Willard's Liquor receiving a pass on city ordinances. loitering ,crowds outside on sidewalks loud noisy patrons ,trash on boulevards every morning from patrons, patrons pissing in yards. Every morning I pull an empty container or two from the back of my truck not from me I don't drink. Call to have crowds broken up nothing happens they do as they please. Cars parked any damn place they feel even in handicapped spots enforcement on this is a joke. 09/23/2019: Tonight (9/22/19) there was yet another shooting at or near Willard's Liquors. Since I moved into my home in November 2017 there have been at least 3 shootings at or near this location. When I drive down Grotto Avenue, almost every time I am forced to stop my vehicle due to bar patrons walking out into the middle of the street or cars stopping to talk to bar patrons. I have reported these incidents to police, but they don't seem to have any effect. I know the city has looked into this bar before, but I think it may be time to seize Willard's liquor license and close this bar. I DO NOT FEEL SAFE DRIVING PAST THIS BAR! Close it down, please.

Willard's Liquors. Sunday 6:55 pm front door of bar open people blaring thumping music nine patrons out by front door of bar yelling cursing just loitering .cars blocking intersection talking with loiters at front door. This really makes for an enjoyable Sunday evening or any other night one cant sit in own back yard without this crap constantly going on and on every damn day of the week and it only gets worse s the weather gets nicer. Surely the city must be capable of stopping this behavior its not what anyone

		wants or needs in a neighborhood hell its turning into another Johnny Babies Bar,. This is not what the supposed most livable city needs, its truly a bad situation in the vicinity of 738 Thomas. Friday 5/10 patrons actually standing at there vehicles drinking and hanging out as if they were tailgating yes a neighbor did call non emergency police number they almost ignored the officer who responded, plus an officer was in the bar as this was happening and left You cant make this crap up I hope there license is denied let this become a livable area again.

04/22/2019	19 033060 Resolved	CS - CSO Complaint - License - Complaint Fri 4/19/2019 also on 4/20/2019 their is constant loitering loud noise and music vehicles blocking traffic and parking in no parking areas .The hired security are suppose to make sure no loitering and move the crowds in or have them leave, it is also said to have vehicles from patrons that are parked in no parking areas to move. I called police non emergency number to have a squad go to Willards Liquors I watched 2 squads drive past bar neither one even slowed or stopped. I contacted city more than a few times in the past few years I get the same response im told this is a police matter I inquire to police and nothing happens because they say its a city matter. Just who is responsible do the neighbors need to file some sort of law suite to have this constant problem resolved. Maybe Willards needs to have an officer on duty on the premises. This has become more than a nuisance for surrounding neighbors, trash curb side every morning loud patrons loud music groups loitering outside of bars door security does nothing. Yes I can see it out my windows with an unobstructed view the noise is terrible 5-2-19 Loud music and noise nuisance 6.5.19-Patrons reportedly loitering until 1am Music is too loud after 10pm

			when weapons are involved. It's well over due for the city to address the plague and problems Willards causes this neighborhood. Loitering on corner in front of door to Willards watching there so called security is a joke basically customers are allowed to do what ever park cars in violation loud music booming people yelling till closing. trash every morning up and down the streets oh and let's piss anywhere we want. Maybe Melvin and you should start with crime reduction o ya more police officers would help are all assholes that inept more of the wrong population is a hindrance to those who do pay taxes at least provide public safety to the law abiding citizens. Stop being Melvin puppets do your damn job that is to serve the citizens of St Paul." 11/13/2018 - "Another shooting on 11/08/2018. Cars blocking intersections nightly, especially on weekends.
