Yes, good morning. I'm calling regarding a notice I did receive from a ratification assessment. I am not aware of any balance, especially \$117, I did have a couple of appliances out on the boulevard for recycling, and I did talk to the city inspector, and he said everything was fine, it was removed, so I need to know what this is for. I need an invoice, a copy of the actual invoice, so what it was that was removed, please. I'm Mark Klinker, 654 Earl Street, 763-360-7003. I'm in ill health, and next surgery, cancer, and I can't afford to be paying additional assessment. I'm just not, don't know what it could be. I do need a return call, so I know what's going on, please.
