Apparently the Q3 2019 assessment was for 706 Maryland Avenue East, as indicated by the PID number of 29-29-22-11-0044 listed on the Public Hearing Notice Ratification of Assessment. Therefore, as the owner, Calvin is responsible for paying the assessment. There does not need to be a TA file created for this address. Assessment should be approved.

I have received a Public Hearing Notice Ratification of Assessment on the property located at 704 Maryland Ave E for an unpaid garbage bill. I do not own that property.

According to my records I do not have any outstanding garbage bills for my property located at 706 Maryland Ave E. It looks to me as if you have made a mistake in the notification of the owner of the property.

Please correct your proposed assessment and bill the correct person. Should this be a typographical error on your part, please let me know. I am happy to pay the bills that are my responsibility.

Should you find the error to be in your favor, please correct it and give me the information for the garbage company to whom I owe the money to, as I do not have any Billings for this service.

Thank you for your time in this matter.
