If a temporary employee working in a title listed in this Section C-3 becomes subject to the requirements of the Public Employees Retirement Act (PERA), which thereby requires the Employer to make contributions to PERA, the calculated hourly rate of pay may change so the Employer's cost does not exceed the amounts listed in Section C-1 above.

C-4 The total taxable hourly rate including wages and the vacation contribution in Appendix D for temporary employees who are appointed to the following classes of positions shall be:

	Effective 5/30/2015	Effective 5/28/2016	Effective 5/27/2017

If the Union elects to have the contributions listed in Appendix D increased or decreased, the Employer may adjust the rates in Appendix C, Sections C-2 through C-4 in such a way that the total cost of the package (wage rate plus contributions) remains constant and does not exceed the amounts shown in Appendix C, Section C-1.

The Employer shall make legally established non-negotiated pension contributions to PERA. Changes in the mandated PERA rate may change the calculated hourly base rate of pay so the Employer's cost does not exceed the amounts listed in Appendix C, Section C-1 above.

All contributions made in accordance with this Appendix D shall be deducted from and are not in addition to the amounts shown in Appendix C, Section C-1. The Appendix D amounts shall be forwarded to depositories as directed by the Union and agreed to by the Employer. These funds will typically be forwarded by the 15th, but not later than the 24th, of the month following the month in which the hours were worked.

The Employer shall establish Workers' Compensation and Unemployment Compensation programs as required by Minnesota Statutes.

Participating employees as defined in Articles 12.3, 12.4, and 12.5 covered by this Agreement shall not be eligible for, governed by or accumulate vacation, sick leave, holiday, funeral leave, or insurance fringe benefits that are or may be established by Personnel Rules, Council Ordinance or Council Resolutions.

The Employer's fringe benefit obligation to participating employees is limited to the contributions and/or deductions established by this Agreement. The actual level of benefits provided to employees shall be the responsibility of the Trustees of the various funds to which the Employer has forwarded contributions and/or deductions.
