Looks like we have a TA already. TA 20-378 that went on 7/9 and rec'd deletion. No need to do another TA but owner needs to know.

I was able to find out that the property in question is 1052 Selby Ave. The only assessment for the property is for Q1 2020. Therefore I will go ahead and create a TA file for this address.

**Subject:** Assessment #200120

Hello, I'm leaving a comment for assessment number 200120. It's for an outstanding balance for a garbage bill. The assessment for our property is \$3.36. We continually do not receive bills from Republic Waste, our trash hauler. We only receive notices from the City saying that we are delinquent in paying. I have contacted this hauler several times and nothing seems to change and frankly I'm tired of paying this bill. And I'm going to suggest that the City go to citywide trash hauling and pay these trash hauler services through our property taxes as this is extremely, this is not a very efficient way to do business. I've never had this problem before. I plan to pay the \$3.36 online to the City but I'm tired of wasting my time dealing with both the City and the trash hauler just to pay a quarterly trash bill. I would much rather do this in a more efficient way and just pay through my taxes. I don't understand why we can't do that and I'm going to suggest to my City Council person that we look into this. Thank you very much for your time.
