As a courtesy to the resident I am going to remove the late fees for both assessments. Just an FYI. Let me know if you disagree.

I have spent the last 2 hours trying to get in contact with someone from the SPPD to have an officer follow up with this resident as she maintains that someone has been stopping by the house and taking payment directly.

We should send an inquiry to RS for any record of contact or payments.

Ms. Doyle does want a call for the hearing.

My name is Jean Doyle and I'm calling there because I got the letter here, it says it's a special notice and the City Council public hearing and as a matter of fact I always pay my bills all the time. I always pay my light and gas and whatever. But I'd like to know is what's going on because they have me call 651-266-6804. I don't know what for but I got the public hearing and I don't know what's going on because I pay my rent all the time and my house payments all the time and I have missed no days. Would you call me and let me know my number is 651-224-2646. I would like to know what's going on. All right, and thank you so much. Bye bye.

FYI...I called Jean Doyle to get her address because it was not left on the VM. She did not have her assessment number handy.
