Good morning,

I spoke with the property owner. He tried to paid his Quarter 1 2020 bill to republic after it had been sent to the city as an assessment. I explained to him that the amount was added as a credit to his account and that he would still have to pay the city for the assessment. Property owner stated that he was fine with paying the assessment. Therefore, we do not need to create a TA for this property.

I just wanted to make sure that the City Council is aware that I paid that garbage bill and if there's any questions regarding that or if that was assessed anyway, please call me at 651-307-1607.
