Yes they have two 64 gal trash carts.  
Also no payments for those two quarters

I thought on the original e-mail I got for this P/O they stated that they weren't getting their invoices or past due notices from WM but that they were getting the letters from the city for assessment charges.

Thank you Mary. I assume that they are being charged for two medium carts, correct? Also, I don't see any record of payment for Q4 2019 or Q1 2020. Is that correct?

Also, do you know why she wanted to remove the late fees? I haven't been able to get a hold of her since she requested a legislative hearing and am trying to figure out what her issue is with the assessment.
