Hello Marcia!

I spoke to this resident and explained the billing process. They are going to go ahead and pay the assessment. Therefore, we do not need to submit a TA file.

I received a Notice of Ratification of Assessment concerning the payment of my garbage bill for the first quarter of 2020. This bill has been paid - payment was made directly to Republic Services.

I have attached documentation of the payment. No assessment is needed. It would be helpful if the city process would include getting updated information from the provider before initiating the assessment process.

Please let me know if you have any questions or need additional documentation.
