Hey Alisha,

Can you try following up with this resident? I tried today and could not reach them. I am going to start drafting a TA file but I don't think that there needs to be a hearing. He probably just needs to have the billing process explained to him as well as receive instructions on how to pay.

P.S If you can't reach them, just let me know I will keep trying 😊

Thanks!

Hello my name is Brett Henkel at 658 Edmund Ave. St. Paul, MN I've got a thing here about possibly getting my delinquent garbage bill assessed to my taxes which I do not want to happen. I just got off the phone with Republic and what they had done is, I made a payment in April which was a bit late so they had applied that to April thru June and not Jan. thru March. So I called them today to take care of Jan. thru March or whichever one was due and they're telling me that I don't owe anything for Jan. thru March, that I'm paid up. I need to get this figured out because I do not want it to go into an assessment situation. If someone could call me at 651-224-5948 that would be great. The gal, Diana, at Republic said you guys could contact her as well. But either way I need to know that the situation is resolved before it

goes into a public hearing. If somebody could let me know what happens or what's going on, 651-224-5948. My name is Brett, I'll be here all day tomorrow I think.

Good bye, thank you.
