Attachments: DOC.PDF

This P/O has been told more than once that she needs to fill out the Temp Service Hold form - but she refuses to do it and then she wonders why her vacation is screwed up.

Please have someone call her and let her know "that luckily" Phoenix e-mailed me this past due letter with her note about vacation time and that once again in the future she needs to fill out the correct form and send it in - please send her several of them.

Michelle you can use this as her vacation request this year

Thanks
Mary Patch
