I thank you for assiting me Mai Vang!

Im former USCG, an honarable disabled veteran

Im sorry if i have an attitude like a pissed of wasp and too curse like a sailor in my messages, im a 3rd generation military brat and have lost family who served this fine country of ours! I graduated Metropolitan State. I worked fulltime during my college. I dedicated myself to Minnesota, Saint Paul is home and birth place of my parents i dont want too lose the saint in the city. Please disregard my curses of swearing in my messages. I will try not to use next time if there is fault, however, i find when im at fualt im fined a fee from any city or bank.

Best wishes for you too have a wonderful day and not to deal with citizens upset with the times our state and country have to deal with in addition!

I believe for your mistake you should owe me what initial cost were and i get a freebie!! Im serious you guys are fucked up not paying attention to detail will be your biggest downfall in St. Paul folks. I hear the neighborhood folks and i have so say am disapointed in who they have running this city. I will let this information be known to all the city also as they deserve to know how much your mistakes cost us!

I did pay my share in your assessment fees!! I have proof i have my bank check and it confirms total asked. I recieved 2 documents in same envelope and i returned them with payment at same time with 1 check! Please check for yourself! I also notice you misspell my middle initial is J for Jacob not L. So you know im not one to not pay my bills and expect an appology from your mistakes!
