REGISTERED OWNER: PNC BANK, NATIONAL ASSOCIATION

PRINCIPAL AMOUNT: TWENTY MILLION AND 00/100 DOLLARS

The City of Saint Paul, Minnesota, a duly organized and existing municipal corporation in Ramsey County, Minnesota (the "City"), acknowledges itself to be indebted and for value received, hereby promises to pay PNC Bank, National Association (the "Purchaser"), the principal sum set forth above and payable as set forth in that certain Resolution adopted by the City Council of the City on November 4, 2020 (the "Resolution"). All capitalized terms used herein have the meaning given such terms in the Resolution and the CCA (as defined below).

The City promises to pay interest on the unpaid principal amount of this obligation (the "Series 2020F Bond") from the date of this Series 2020F Bond (November 19, 2020) until such principal amount is paid in full, at such interest rates and at such times as provided herein, in the Resolution and in the Continuing Covenant Agreement, dated as of December 1, 2018 (the "CCA" or "Continuing Covenant Agreement"), between the City and the Purchaser. All payments of principal and interest shall be made to the Purchaser in immediately available funds at the Purchaser's Lending Office designated in the CCA. If any amount is not paid in full when due hereunder, such unpaid amount shall bear interest, to be paid upon demand, from the due date thereof until the date of actual payment (and before as well as after judgment) computed at a variable rate of interest as set forth in the Resolution. The interest rate on this Series 2020F Bond from the date of original issuance through December 1, 2020, shall be \_\_\_\_% per annum. Interest on this Series 2020F Bond will be calculated based on the actual number of days that principal is outstanding over a year of 360 days. Interest is payable on each May 1 and November 1, commencing May 1, 2021.

1. This Series 2020F Bond evidences the City's obligation to pay the principal of and interest on the Series 2020F Bond, as described in the Resolution. This Series 2020F Bond is issued by the City pursuant to the Resolution, for the purpose of providing money to pay for certain street reconstruction projects in the City, pursuant to and in full conformity with the home rule charter of the City and the

Constitution and laws of the State of Minnesota, including Minnesota Statutes, Section 475.58 Subd. 3b and Minnesota Statutes, Chapter 475, as amended. The principal of and interest on the Series 2020F Bond is payable from a direct annual irrepealable ad valorem tax (the "Tax") upon all of the taxable property in the City. The full faith and credit of the City and certain accounts established under the Resolution are irrevocably pledged for payment of the principal and interest on the Series 2020F Bond and the City has obligated itself to levy ad valorem taxes on all taxable property in the City in the event of any deficiency, which additional taxes may be levied without limitation as to rate or amount. Pursuant to the Resolution, the City covenanted and agreed that it shall (i) include all amounts payable as principal of and interest on the Series 2020F Bond for each Fiscal Year in which such amounts are due and payable in its budget for that Fiscal Year; (ii) appropriate such amounts from the proper funds for such payments; and (iii) duly and punctually pay or cause to be paid such payments of principal of and interest on the Series 2020F Bond.

2. This Series 2020F Bond is entitled to the benefits thereof and may be prepaid and is subject to redemption in whole or in part subject to the terms and conditions provided in the Resolution and the CCA. Upon the occurrence and continuation of one or more of the Events of Default specified in the CCA, all amounts then remaining unpaid on this Series 2020F Bond shall become, or may be declared to be, immediately due and payable, all as provided in the CCA. The Series 2020F Bond purchased by the Purchaser shall be evidenced by one or more loan accounts or records maintained by the Purchaser in the ordinary course of business. The Purchaser may also attach schedules to this Series 2020F Bond and endorse thereon the date, amount and maturity of the Series 2020F Bond and payments with respect thereto. So long as the Purchaser is the sole owner of 100% of the Series 2020F Bond, the Purchaser shall not be required to surrender any Series 2020F Bonds to the Paying Agent, except for redemption of all outstanding Series 2020F Bonds.

3. This Series 2020F Bond shall bear interest as set forth below:

If, after the date of this Series 2020F Bond, the Purchaser shall determine (which determination shall be final and conclusive) that any enactment, promulgation or adoption of or any change in any applicable law, rule or regulation, or any change in the interpretation or administration thereof by a governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Purchaser with any guideline, request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for the Purchaser to make or maintain or fund loans based on One Month LIBOR, the Purchaser shall notify the City in writing. Upon receipt of such written notice, until the Purchaser notifies the City that the circumstances giving rise to such determination no longer apply, (a) the availability of One Month LIBOR shall be suspended, and (b) the interest rate on all advances then bearing interest under the Bank Index Rate (incorporating One Month LIBOR) shall be converted to a new Bank Index Rate (incorporating the Base Rate in the rate calculation instead of One Month LIBOR) (the "Base Rate Option") either (i) on the next succeeding LIBOR Index Reset Date if the Purchaser may lawfully continue to maintain advances based on One Month LIBOR to such day, or (ii) immediately if the Purchaser may not lawfully continue to maintain advances based on One Month LIBOR.

In addition, if the Purchaser determines (which determination shall be final and conclusive) that, by reason of circumstances affecting the eurodollar market generally, deposits in dollars (in the applicable amounts) are not being offered to banks in the eurodollar market for the selected term, or adequate means do not exist for ascertaining One Month LIBOR (collectively, a "Suspension Event"), then the Purchaser shall give notice thereof to the City. Thereafter, until the Purchaser notifies the City that the circumstances giving rise to such Suspension Event no longer exist, (a) the availability of One Month LIBOR shall be suspended, and (b) the interest rate for all advances then bearing interest under the Bank Index Rate (incorporating One Month LIBOR) shall be converted on the next succeeding LIBOR Index Reset Date to the Base Rate Option.

If the Purchaser determines (which determination shall be final and conclusive, absent manifest error) that, (a)(i) a Suspension Event has occurred and is unlikely to be temporary, or (ii) a Suspension Event has not occurred, but the applicable supervisor or administrator (if any) of One Month LIBOR or a governmental authority having jurisdiction over the Purchaser has made a public statement identifying the

specific date after which One Month LIBOR shall no longer be used for determining interest rates for loans (either such date, a “LIBOR Termination Date”), or (b) a rate other than One Month LIBOR has become a widely recognized benchmark rate for newly originated loans in dollars in the U.S. market, then the Purchaser in its sole discretion may choose a replacement index for One Month LIBOR and make adjustments to applicable margins and related revisions to this Series 2020F Bond as referred to below such that, to the extent practicable, the all-in interest rate based on the replacement index will be substantially equivalent to the all-in the Bank Index Rate in effect prior to its replacement.

The Purchaser shall give written notice to the City of the replacement index, the adjusted margins and such other related updates as may be appropriate, in the sole discretion of the Purchaser, for the implementation and administration of the replacement index-based rate (the “Rate Update Notice”). Notwithstanding anything to the contrary in this Series 2020F Bond or the other Related Documents (as defined in the CCA), including the amendment provisions hereof and thereof, unless the Purchaser receives a notice from the City objecting to the replacement index-based rate on or before the close of business on the tenth (10<sup>th</sup>) Business Day after the Purchaser provides the Rate Update Notice, the terms of the Rate Update Notice shall become effective without any further action or consent and thereafter, (i) the interest rate on all advances then bearing interest based on One Month LIBOR shall be converted at the next succeeding LIBOR Index Reset Date to advances based on the replacement index-based rate and (ii) the interest rate on all future advances as to which One Month LIBOR would otherwise apply shall be advances based on the replacement index-based rate. If the Purchaser receives written notice from the City objecting to the replacement index-based rate within such period, each advance under One Month LIBOR will continue to bear interest with reference to One Month LIBOR; provided however, that if the Purchaser determines (which determination shall be final and conclusive, absent manifest error) that a LIBOR Termination Date has occurred, then following the LIBOR Termination Date, all advances as to which One Month LIBOR would otherwise apply shall automatically be converted at the next succeeding LIBOR Index Reset Date to the Base Rate Option until such time as a Rate Update Notice is implemented as described above.

Selection of the replacement index, adjustments to the applicable margins and revisions to this Series 2020F Bond (i) will be determined with due consideration to the then-current market practices for determining and implementing a rate of interest for newly originated commercial loans in the United States and loans converted from a One Month LIBOR-based rate to a replacement index-based rate, and (ii) may reflect adjustments to account for the effects of the transition from One Month LIBOR to the replacement index and yield- or risk-based differences between One Month LIBOR and the replacement index.

Notwithstanding anything to the contrary contained herein, if at any time the replacement index is less than zero, at such times, such index shall be deemed to be zero for purposes of this Series 2020F Bond.
