VB2001/208800 - Was assessed to the property in error and will be removed from the following property on Nov 18. (This fee was sent to the assessment office on 6/3/2020 but DSI asked for it to be removed with a note will be sent to assessments in June if not paid. I missed the removal part so I will put together a Resolution to remove from the following property).

VB2002/208800 – This fee was sent to the assessment office on 7/1/2020 and is assessed correctly for the fee was not paid to DSI before June 2019. (Note: This fee covers the time period of 5/24/2019 to 5/24/2020. DSI does not prorate the fee if the home becomes occupied during this time period. The owner would have had to attend a Legislative Hearing to have it reduced or even deleted.

Thank
