Thank you. Would you mind giving me your address anyway, so I can show that this issue has been resolved?

My Lafond, what address are you referring to in your message?

"My name is Jonathan Lafond. You can e-mail me at lafond79@hotmail.com. I'm calling in regards to assessment fee you guys are saying I didn't pay, but I did pay these fees. I paid...there was a \$150 fee and a \$100 fee. I paid them both at the same time and put them in the mail at the same time instead of waiting a month to give you guys another one.. I don't know why you guys are sending me a statement saying I'm going to have interest charges on this. If you want to look at this again and get back at me, I'd really appreciate it. I'm not going to pay extra when I already paid what it was. Double up on what you've got for me. Thank you."
