

This is 1268 Ashland Avenue, Saint Paul, Minnesota 55104, Property ID Number 03-28-23-13-0059. It is the Cullars. You have it listed as Pauline J. I'm his spouse. I didn't buy this property in 71. It should be Lafayette Cullars. House purchased here in 1971. It is about the assessment, 1268 Ashland Avenue, Lots 11, 12, and 13. There is an easement to the City of Saint Paul for purposes of an alley across lots 12 and 13 or 13 and 12. You have changed the location of this property. There has been no imminent domain. We have not sold any part of his property. You have changed the description from Lot 11, 12, and 13 to 13, 12, and 11. You have placed all 3 lots to the east side of the alley. You have ruined our property. Lot 13 is immediately adjacent to the property owned by Canadian Pacific. You have put in something called _____. And it's only run along Lot 13 to the west. Our property is completely ruined now from underground water that started in 2008. And we did not pay last year's assessment because we wanted you to put it on the property tax because that is not how we are going to pay this. You have taken our property away and you have taken our property away as you have drawn a new map. 651-644-8541. You have 13, 12, and 11 or 11, 12, and 13. Lot 13. You ruined our property Our water bills are over \$200 every time and we have no leaks here. There has been no imminent domain . You have an easement right across Lots 12 and 13. We need an explanation. There is a map. All three lots you have to the east side of the alley cutting off part of our house. We have not sold the City any part of this property. There has been no imminent domain. So how could you just do as you wish to our property on the left. 651-644-8511, email pcullars@hotmail.com. I first contacted you about underground water after noticing a sink hole in 2008. How can you be all over our property? How can you take our property without due process? 651-644-8511. And we have this statement. You can put our assessments on our property tax. That is why we didn't pay it last time. And you have taken our property from us.
