Hello my name is Josiah Almayer, I'm not really sure how this works but this is for the assessment that is #200025 about the street cleaning, what's it called, street maintenance service program fees it looks like. I'm at 164 Arlington Ave West 55117. It looks like there's a public hearing on the 18th at 3:30. From my perspective, I moved into this house at this address in March of 2019 and that year, last year, I paid the full assessment even though I was only here for half-ish of the time that was billed for that property street cleaning. So this year, I only paid the half because I'm considering that an overpayment last year for the portion of the year that I was here living at this address. I'm wondering if Osaka Holmes (?) I believe who owned this home before me is responsible for the other "half" of the assessment from last year when I was not in this property. So for 2019 I'm calling myself overpaid and for this year I only paid a portion which would have been the remaining amount for this year after the overpayment. My direct callback number is 424-326-6804. Thank you for listening. OK, bye.
