To Whom It May Concern,

I recently received a public hearing notice for an unpaid assessment (#200025) at 1254 Lafond Ave, totalling \$44.80. I was late in paying this, but I did submit the payment along with my Storm Sewer System Charge, mailed recently.

Can you confirm that this payment was received, and please clarify whether I owe any additional fees for late payment of the Lighting and Sweeping invoice? Thank you.
