

*To advance equity and enhance quality of life through partnerships and community engagement*

November 1,8 2020

Dear Stephanie,

On behalf of the Board of Directors of the Dayton's Bluff District 4 Community Council, I thank you for attending the August board meeting to share Council Member Prince's vision for a modification of the current wine ordinance!

I'm pleased to advise you that the Board of Directors endorsed the change with one modification: to change the distance required between licensed sellers of off-sale wine from one-half mile to one-quarter mile.

Congratulations!

*Lissa*
