Subject: Public comment for Truth in Taxation Public Hearing on December 2, 2020
Date: Tuesday, December 1, 2020 11:06:12 AM

Dear St. Paul City Council Members,

I am writing to ask you to consider all of the information and demands [in this post by Root & Restore St. Paul](#). I believe it accurately lays out our current public safety and systemic racism crises and offers real solutions to addressing these challenges.

A budget is a moral document - please remember this when finalizing the 2021 budget.

Thank you,
Charissa Osborn
St. Paul resident
