Mr. Abdullahi,

Following up on our emails from Friday, again we apologize for any miscommunication. I did speak with the Legislative Hearing officer this morning, who took a look at your work plan and since her recommendation (attached again) is aligned with your work plan, she will grant that additional time to complete.

Please let me know if you have any questions,

Joanna

Thanks for sending that on, that is so strange we did not receive that, I just double checked again.

I will forward on to the legislative hearing officer, let me get back to you to see if she would want to make any changes to her recommendation.

Thanks,  
Joanna

Hi Joanna,

I was getting a covid test at the time and I immediately called back and requested for another call.

Also on the voicemail it said that I did not email a work plan when in fact I did.

Thanks,  
Hussein
