BURGLARY FORCED ENTRY, NIGHT, COMMERCIAL

The following is a summary of the CAD comments; ADT-aud covers back perimeter door-no A/V... police entered notes that stated-entry was made, no one found inside-board up crew called.

I googled the phone number to Cricket Wireless at 1627 Whitebear Ave N and got 651-888-6029. The female employee who answered stated that neither the owner or manager were working. I asked if she knew anything about the store being broken into on 05/28/2020, when all of the looting was happening? She said that I would have to talk to her manager about that. She said that his name was Leon, and his cell phone #612-913-6277.

I called Leon at 612-913-6277 and left a message with my contact information, I advised him that I just needed to touch base with him about making a report, then asked that he please call me back as soon as he coul. A few hours passed, Leon had not call me back.

I was unable to get a hold of the manager, Leon, to take this report, his contact information is above.
