APPEALS: You may appeal this order and obtain a hearing before the City Council by completing an appeal application with the City Clerk before the appeal deadline noted above or seven (7) days after the date mailed, which ever comes first. If additional new violations are discovered within the next following 12 months, the city's costs in conducting additional inspections at this same location within said 12 months will be collected from the owner rather than being paid by the taxpayers of the city. Any such future costs will be collected by assessment against the real property and are in addition to any other fines or assessments which may be levied against you and your property.
