**Subject:** Barb Wire Fence request - #2020-081589

Good morning Dan,

Your request for a Barb-Wire fence at 355 State St. in Saint Paul is denied by the Building Official. Per the variance request protocols and city ordinance, you may file an appeal by contacting the LHO at 651-266-8570.

Thank you,

**SAINT PAUL**

Good morning,

We are presently retrieving information on the properties in this area. Zoning and permit records from our office, as well as other information from other departments in the city, along with any information you can provide, will be reviewed for any fencing in your area.

Thank you,

### Stephen Ubl

**Think Before You Click: This email originated outside our organization.**

Good morning.

Have we gotten anywhere on this yet? We had another incident on Friday at 0857 in a neighboring parking lot. Two individuals in a dark SUV without a rear license plate came through and were checking door handles to see what was open. It would be absolutely disastrous if one of our employees inadvertently confronted or were confronted by someone doing this. In fact, a while ago we had one of our managers approached at gun point in a situation like this.

We really need to move forward with this and protect our investment and our people from these absolutely brazen acts. If there is any other information you require please let me know and I will get it to you as fast as I can.

Dan,

It has come to my attention that your request for a fence with barbed wire has not been processed correctly. I apologize as we don't get these requests often and thought we had covered all our bases.

This will need to be approved by the Building Official, Steve Ubl. I spoke with him today and he would first off like for you to provide him with the reason you are requesting to have barbed wire around your parking lots. I have cc'd Steve on this email. Please, at your soonest convenience reach out to him with an explanation of the issues you are having at the site that would warrant the addition of barbed wire. Please, cc me on the email as well so I can follow through on the permit.

Thank you for your time.
