**Think Before You Click:** This email originated **outside** our organization.

Marcia,

Michael Aderinkomi, the owner of the property referenced above, called to see if we would be willing to provide a statement he could forward to you stating that we have been in conversation with him about the site. Councilmember Prince heard that we are looking for a multifamily redevelopment site in Saint Paul and brought this property to our attention. We are in the very early stages of site evaluation and have only had one conversation with the owner but this site is on the list of sites we are considering. I'm curious why the city is asking about our potential interest and if this email gives you what you need. Give me a call when you have a moment to discuss.

Thanks,  
Chris
