Okay so I could not get the before video to play but I know what it looked like before then I noticed he didn't take any kind of video of all the Landscaping I did on the other side of the garage right there and everything around the whole house was cut down there was a huge pile of brush there was a big Crate Box there everything is been picked up all he did was take that bored you can see on the camera in front of my garage and some plastic piece that was on the side I seen they have even against the garbage can that I don't even know what that came from or whose it is so how am I going to get charged \$450 when the only thing he did was take that whiteboard that's in front of the garage everything else was cleaned up beside the wheelbarrow was still outside from us moving stuff around and working cleaning it all up please explain to me how I can get charge \$450 for him taking my board? You guys gave me the piece of paper with the deadline to clean it up by and me and my girlfriend spent over two days cleaning everything up so it was perfect so this wouldn't happen so why am I being charged still it was done by the deadline
