It's a request from us (Solid Waste Program).

Just a note: We actually only need the Q1 2019 assessment reduced to from \$288.24 to \$192.16, which is the price of two 64-gal carts.

Thank you!

Is this a request from the property owner to remove? Or is it from the dept? Since it's been levied, we would have to ask the County to abate from the 2020 or 2021 Property Tax Statement

Hello Mai,

We need a resolution to abate for Q1 2019, Q2 2019, Q3 2019, Q4 2019, Q1 2020, and Q2 2020 delinquent garbage assessments for 749 Sims Ave.

It appears as though there was a vacancy request that should have gone into effect on January 1, 2019 for one of the three residential dwelling units at the property. Due to the assessed amounts being for a single 64-gal cart with late fees, staff recommends removing each assessment in full. Is this possible for the assessments that were levied last year (Q1 & Q2 2019)? Please let me know.

Thank you!
