Hello, thank you for your website submission. Orsat test is 175.00. As for the vent cleaning, right now we are not doing duct cleaning as our gas powered machine does not work very well in the winter. We will be starting these up in the spring and we could put you on that list if you would like. Duct cleaning runs 459.00 for average size home. Let me know if you have any other quesons!

We would need address to look at schedule for Orsat. Thank you and have a great day!
