Subject: Vote on ordinance 21-4

Please do NOT change ordinance 21-4
OR make an exception for student housing at a limit of 4.

For the following reasons:

- 1) covid is here.

- 2) 4 is enough. (12 students in a double bungalow is insane)
- 3) everyone has a car. NO room for more cars.!
- 4) fire safety
- 5) already built 812 new units for students
(dormitory, Marshall & Moore, Finn)

Sincerely

Helen Holtti
