Re: Making Finding the Order to raze and remove the structure at 864 Marion Street

Dear Mr. Schilling & Mr. Bowen:

Legislative Hearings were conducted in the above-referenced matter before Marcia Moermond, Legislative Hearing Officer, and she recommended that the City Council grant an additional 180 days on August 26, 2020 for the nuisance building to be abated by razing and removal or rehabilitation, as evidenced by issuance of a Certificate of Code Compliance.

There will be a Legislative Hearing scheduled for **Tuesday, February 23, 2021 at 10:00 a.m. via telephone as in-person hearing is not feasible at this time** at which DSI staff will present information on the current building conditions and progress toward abatement of the nuisance conditions.

If your client received the Certificate of Code Compliance by February 23, 2021, this hearing will be cancelled and a resolution will be forwarded to the City Council indicating the nuisance conditions have been abated and the matter is closed.

If your client have *not* received the Certificate of Code Compliance by February 23, 2021, please contact Joe Yannarely (joe.yannarely@ci.stpaul.mn.us or 651-266-1920) to schedule an inspection as soon as you can. Both Mr. Yannarely and/or Nathan Bruhn will conduct this inspection to determine percentage of completion.

The findings of the Legislative Hearing will be considered at a City Council Public Hearing on **Wednesday, March 10, 2021 at 3:30 p.m. remotely. At that time before noon, please let us know by calling 651-266-8585 if you wish to appeal further and give live-testimony at the City Council.**

Sincerely,
/s/
Mai Vang
Legislative Hearing Coordinator
