Good morning, since we didn't hear from anyone the Legislative Hearing officer has laid this over for 2 weeks to **9:00 AM on Tuesday, October 27**. Please let me know who will be representing and should be called into the hearing prior to that date.

Please note, that certified mail was sent to Xome and signed by a Jamie Barrett (from what we can decipher) on September 19, so someone was notified within your company.

Thank you,
Joanna

Good afternoon,

This is the first that I have heard of a hearing for this property. Can I get more information regarding what the hearing is regarding? I manage the registration department and going off of the subject line, this appears that it may need to go to either our rehab/bids department or the code department. If I could get additional information, I can forward on to who would need to attend.

Thank you,
