Under Saint Paul City Code of Ordinance Chapter 220, it is the responsibility of every owner of a residential dwelling of one (1) to four (4) units to utilize solid waste services for all occupied dwelling units (Sec. 220.04). By submitting this application, the property owner is certifying that the residential dwelling unit (RDU) is completely unoccupied, under penalty of the City of Saint Paul Code of Ordinances. Submission of this form is subject to verification by the City of Saint Paul at any time. If the RDU is determined to be occupied, the RDU will immediately resume receiving garbage services from the designated Hauler for the property and will be subject to the rates for garbage service specified in City Code of Ordinances Chapter 220.
