Proposal Summary (400 Characters or less):

The City of Saint Paul intends to implement Zencity's technology platform to:

- Evaluate efficacy of Community-First Public Safety
- Provide issue specific insights on COVID-19 and Community First Public Safety to shape communications and policy development
- Use insights on residents' engagement with City services to shape our "Services First" approach to Digital Transformation and our Service Hubs Strategy.

Project Activities and Timelines:

Project Activities

The City of Saint Paul & Zencity are looking to engage in a 6-month pilot partnership. The goal of the 6-month pilot partnership would be to allow St. Paul city leadership instant access to Zencity to target immediate initiatives, particularly those focused around COVID-19. Following the 6-month pilot period, Zencity & St. Paul can look to explore a longer term partnership if both organizations wish to do so.

Project Timelines (March - September)

- Saint Paul will go live with Zencity within five (5) days of a signed agreement.
- Saint Paul will have access to the breadth of data, analytics, dashboards, insights, reporting, benchmarking etc
- Saint Paul is allocated a Zencity dedicated Customer Success Manager and Insights Expert
- Following the 6-month pilot period, St. Paul, Knight Foundation and Zencity would discuss goals/outcomes and see what would make most sense moving forward
