

RES 20-1263    3/9/2021 1:00 PM       Sarah Brunner                    Against

Please retain the ability to guarantee bonds for various projects, including but not limited to charter schools. These bonds help our schools save tens of thousands of dollars AND save tax payer dollars. Our charter schools are an excellent option for those unable to pay private schools and unhappy with their neighborhood school performance. Please support our charter schools!
