Re: Remove or Repair of the Structure at 854 Edmund Avenue

Dear Ms. Thill,

This is to confirm that Marcia Moermond reviewed and approved the documents submitted for her review; therefore, she amended the resolution on April 7, 2020 at the 3:30 p.m. City Council Public Hearing to **grant 180 days for the removal or repair of the structure in the above matter.**

At the conclusion of the 180-day grant of time, the Council will receive a report from the Legislative Hearing Officer with findings on the status of the substantial abatement and a Legislative Hearing is scheduled for **Tuesday, October 12, 2021 at 10 a.m. Depending on Covid rules and status, that hearing may be in person or via phone.** At that time, owners, interested parties, and Department of Safety and Inspection staff will present information on the current building conditions and progress toward abatement of the dangerous/nuisance conditions and the resulting findings will be presented to the City Council at a public hearing on **Wednesday, October 27, 2021 at 3:30 p.m.** for its consideration. If you wish to attend any of the hearings mentioned, you may do so.

If you have any questions, please contact me at 651-266-8515.

Sincerely,

/s/
