Subject: Voice Mail (1 minute and 20 seconds)

Hello. This is SAMANTHA KEALEY and I am the property owner at 1205 Eleanor Avenue. am calling in regards to the proposed Griggs Schaefer area paving and lighting phase two. I am calling to state my objections to the current plan the way that it is. I have visualized what happened on adjacent streets in the neighborhood, and I do not want the same treatment to happen to Eleanor Ave. The street definitely needs to be repaved, but I'm highly opposed to any widening of the sidewalk or placement of large curbs, and I do not feel that the new lighting proposal is necessary. I can be reached at 612-501-1794 for any follow up questions. Thank you. Bye-bye.
