Subject: Voice Mail (1 minute and 34 seconds)

Hello. My name is Linda Bashop. I live at 210 Fifth Street East, Saint Paul. I understand that council item is coming up tomorrow that is requiring a vote to convert public or public park land to the water company, which I think goes against the charter that is laid out for the council to adhere to. And it looks like all seven council members are voting to approve that decision, and I want to go on record to say that they don't have the right to do that without the public citizens of Saint Paul. You need to change the charter if you want to do that, and that would require a citizen vote. So, you're going against the charter if you could convert public park land for that kind of purpose. Thank you.
