Chuck Kanski called to schedule his **Legislative Hearing for 7-7 at 10:00 a.m. for 517 Selby (J2007P)**. He was very angry because Rita nor Kristina ever got back to him. He wanted to complain to someone higher up because he was frustrated (see his note below with photo). I told him he needs to talk to the Legislative Hearing Officer and the Inspectors at his Legislative Hearing for any of his future complaints. Here is his contact information:

Hi Rita ~
So we took care of the graffiti on our building wall. The graffiti was under the Revival sign and surrounded the handicap sign. I took care of this on Monday.
Someone from the city came out and covered the building spot to the right with a horrible yellow. I started to cover the yellow up and ran out of paint. I now have to buy more paint. Can the city reimburse me for this paint since someone from the city came out and marked up the building? The graffiti was all ready taken care of and I have no idea why they would have painted the building.
Please let me know what to do.
Peace, Chuck
