Subject: VB fee for 363 Lawson Avenue East

Hello Mr. Teske,

DSI staff contacted our office stating that due to an inspector error, the vacant building fee for above-subjected matters should have not been assessed. VB file should have been closed prior to the expired waiver of the VB fee since Inspector Bruhn finalized the building permit on December 31 and should have had VB inspector closed the file but it was not closed until March. I will be sending a resolution to go to hearing on April 6, 2021 with the recommendation to delete the assessment fee of \$2284. I will not be contacting you for the hearing but we will put a staff report on the record.

If you have any questions, let me know. Thanks.
