**Date:** Wednesday, April 14, 2021 3:26:48 PM

---

To St Paul City Council,

I am the property owner of 235 Mackubin St. which is being assessed for 2020 Street Maintenance Service Program.

I wish to appeal this fee - why is this not covered under my real estate taxes which are demonstrably higher than nearly every city and county in Minnesota? Is not maintaining the streets a core function of the city which real estate taxes are designed to address?

Best Regards,

John J. Moroney
