My name is Timothy Dwyer, I am the president of the Markham Company of Saint Paul, the owner of the historic Hamm Building located at 408 Saint Peter Street. As a building owner in Saint Paul, I strongly support the Saint Paul Public Works Dept. recommendation for the Capital City Bikeway to be located on Wabasha Street and oppose the Bikeway being located on Saint Peter Street . I ask the City Council to support the Resolution locating the Capital City Bikeway on Wabasha Street as recommended by the Saint Paul Public Works Dept.

Thank you,  
Timothy J. Dwyer  
President  
The Markham Company of Saint Paul.
