Re: Making-Finding hearing for Property at 2233 Energy Park Drive

Dear Mr. Olsen:

This is to inform you of the upcoming Legislative Hearing on May 4, 2021 via telephone between 11 am and 12 pm. At that hearing, the Legislative Hearing Officer will review this case to determine if the nuisance conditions have been abated. On January 13, 2021, the City Council amended an extension to May 1, 2021 for compliance by removing the boulders or have permitted approval by Public Works. Public Hearing will be on March 12, 2021 at 3:30 p.m. If you wish to contest at this hearing, you may send in written statement for your appeal as live testimony is not feasible.

If you have any questions, please contact me at 651-266-8563

Sincerely,  
/s/

Mai Vang  
Legislative Hearing Coordinator
