Re: Bole Ethiopian Cuisine (License 20210000577)

This is to inform you that the District 10 Como Community Council voted April 27 to support the beer, wine, and patio license application for Bole Ethiopian Cuisine. In addition, the district council requests that you to waive the 45-day waiting period for the licenses.

The application was discussed both at the district council's Land Use Committee meeting in April and by the full board. We heard no opposition or concerns at either meeting; in fact, residents who spoke are enthusiastic about the addition of Bole to our neighborhood, and welcome the vibrancy and commitment they already are demonstrating.

Please feel free to contact me if you have any questions.
