I just went through the file and it looks like it was somehow filed under recheck instead of a summary abatement. Therefore no summary abatement was sent out to them. I'll look into how this happened. The assessment will have to be removed then. Thanks for the inquiry.

Hello Andrew,  
In your note (see link), you said you issued a SA but I cannot find it in Amanda nor STAMP.. Please confirm. If no SA sent, we will have to delete the assessment.
