Good Day,

My name is Sara Oxtan. I live at 1798 Blair Avenue in Saint Paul. I am writing in response to the invitation for public comment on a noise variance requested by Dalton Outlaw for Saturday, June 26, 2021. I am strongly in favor of granting this variance to Mr. Outlaw.

The Co-Motion: Center for Movement is approximately 500 yards from my home. Since its founding, I have observed the Center as a force for good in the neighborhood. The Center brings in people from all walks in the community. It provides a welcoming and nurturing environment, inclusive of physical activities for children and mentoring relationships for young adults.

The event on June 26, as I understand it, continues this mission of inclusion. I am confident that any noise will not be a disturbance in the neighborhood. Rather, it will be a signal of celebration and community.

I encourage the City to grant this variance.

Thank you for your consideration.

Sara Oxtan
