My name is Diane Scovill. I live at 326 Macalester, St. Paul, Minnesota 55105. My phone number is 612-719-9769s, and I'm calling to comment on the right to recall, and I think our City Council should support those people who were displaced due to COVID and to get their jobs back in the same position. This is not any way to treat hard working men and women who were displaced for no reason. No fault of their own, and I believe that we have businesses that are hedging and they are not fully supporting the worker. This is very important vote for many families here in Saint Paul and actually around the nation. So I hope that you support and vote for the right to recall and then businesses can deal with their employees in a way that's fair, above board and honest. My email is Dmercy1400@gmail.com.
