Mr. Rocha,

After reviewing your documents, the hearing officer determined they are not sufficient. However, you did indicate the project would be completed by the end of May in your plans. As such, at the City Council hearing on May 12, **Ms. Moermond will ask the City Council to continue the matter to June 9, 2021 at 3:30. We will hold a Legislative Hearing to review the matter on Tuesday, June 8, 2021 between 10 am and 12 pm via telephone.**

By close of business June 7, you must have finished the job and received your code compliance certificate, or submit new/improved documents indicating how you will be completing the job (in the current documents, it is unclear if contractors are paid, how much they have been paid, and if you have funding to finish the job and pay any remaining balance with contractors).

Please let me know if you have any questions,

Joanna
