> Please do not repeal the SAFE Ordinance. As a resident of Ward 3 I think that it is important to make sure that renters in our area are protected and that rental housing in our ward doesn't become a place that only caters to the wealthier parts of the city's population. By eliminating things like requiring more than one months rent as deposit or being able to disqualify renters based on foreclosures that happened year ago is unfair to those that have already been disadvantaged by practices such as predatory lending during the foreclosure crisis.
