Subject: 134 Elizabeth E.

All,

I have put these notes in AMANDA:

Progress inspection shows most of the work has been completed. No inspections have been done and they do not have permits for plumbing or mechanical. Until those permits are applied for I cannot say any work has been done legally so I am forced to put the progress at 20%.

I let the owner know that her contractors have not pulled permits as well.

Hope this helps,

Nathan Bruhn
