Shari,

On June 15, 2021, an initiative petition was submitted to the Ramsey County Elections Office. Based on our examination of the petition, we have verified that 5,592 of the signatures are valid. A total of 4,958 valid signatures is required. Therefore, I certify that the petition contains the number of valid signatures of registered voters in the city as required by Section 8.02(1) of the City Charter.

Attached to this letter is a blank copy of the petition that was circulated which contains the description of the initiative being sought. Our office is in retention of the original petition and scanned copies of the signed petition are available upon the city's request.

Please reach out to me directly with any questions,

Christina Tvedten
